INDEPENDENT AUDITORS' REPORT

Board of Directors Casa Del Sol Condominium

We have audited the accompanying financial statements of Casa Del Sol Condominium, which comprise the balance sheet as of December 31, 2014, and the related statements of revenues, expenses, and changes in fund balances and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Casa Del Sol Condominium as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

ORGANIZATION

The Association was organized in the State of Maryland in September 1977. The Association is responsible for the operation and maintenance of the common property of Casa Del Sol Condominium. Casa Del Sol Condominium consists of 57 residential units and is located in Ocean City, Maryland.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are presented using the accrual method of accounting. Revenues are recognized when earned and expenses are recognized when the product or service has been received and the liability incurred.

Fund Accounting

In accordance with industry standards and practices, the Association has segregated its activities into two funds: the operating fund and the replacement fund.

<u>Operating Fund</u> - provides working capital for operations, contingencies, and replacements where specific funds have not been designated. If the operating fund is inadequate to meet funding requirements for any reason, the board of directors may levy at any time a further assessment.

<u>Replacement Fund</u> - provides funds for replacement of the common elements and equipment of the Association and for operating expenses of a nonrecurring nature.

Total Columns on Combined Statement

Total columns on the combined statements are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or cash flows in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

Cash Equivalents

Investments with an original maturity of three months or less that are not restricted from immediate withdrawal and do not require a substantial penalty for early withdrawal are considered cash equivalents.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Real property and common areas acquired by the original owners from the developer are not capitalized on the Association financial statements, as they are owned by the individual owners and not the Association. Common areas are restricted to use by Association members, their tenants, and guests. Replacements and improvements to the real property and common areas are not capitalized, as the improvements would also belong to the owners and not the Association.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through March 20, 2015, which is the date the financial statements were available to be issued.

CASH BALANCES

Cash accounts with a federally insured bank are insured up to \$250,000 by the FDIC, an agency of the Federal government. At December 31, 2014, the Association had deposits that exceeded the FDIC limit by \$80,568.

MEMBER ASSESSMENTS

Association members are subject to assessments to provide funds for the Association's operating expenses, capital acquisitions, and major repairs and replacements. Assessments receivable at the balance sheet date are reported at the amount management expects to collect from unit owners. The Association's declaration provides for various collection remedies for delinquent assessments including the filing of liens, foreclosing on the unit owner, and obtaining judgment on other assets of the unit owner. Based on an assessment of the current status of individual accounts, management provides for uncollectible amounts through a charge to expense with an offsetting entry to an allowance for uncollectible assessments. As of December 31, 2014, no allowance for uncollectible assessments at year end are retained by the Association for use in future years.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

PREPAID ASSESSMENTS

Prepaid assessments are the subsequent year's assessments paid prior to the current year-end.

INCOME TAXES

The Association has elected to file as a homeowners' association under Internal Revenue Code Section 528 for the year ended December 31, 2014. Under that Section, the Association is not taxed on income and expenses related to its exempt purpose, which is the acquisition, construction, management, maintenance, and care of Association property. Net nonexempt function income, which includes earned interest and revenues received from nonmembers, is taxed at 30% by the federal government. It is the Association's policy that penalties and interest assessed by income taxing authorities, if any, are included in operating expenses.

The Federal and Maryland income tax returns for the Association for the years after 2010 are subject to examination by the IRS or the Comptroller of Maryland, generally for three years after they were filed.

FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association's governing documents give discretion to the board of directors to accumulate funds for future major repairs and replacements. Accumulated funds are held in separate accounts and are generally not available for operating purposes. It is the policy of the Association that interest earned in the replacement fund remains in the replacement fund as an additional contribution.

The Association engaged an independent engineer who conducted a study in 2014, to estimate the remaining useful lives and the replacement costs of common property components. The estimates were based on current estimated replacement costs. The table included in the unaudited supplementary information is based on the study.

Funds are being accumulated in the replacement fund based on estimated future needs for repairs and replacements of common property components. Actual expenditures may vary from estimated future expenditures and the variations may be material, therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs and major repairs and replacements. If additional funds are needed, the board of directors has the right, subject to membership approval, to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

RELATED PARTIES

The Association does business with a repairs and maintenance company in which the owner of the business is also the owner of a unit within the Association. For the year ended December 31, 2014, the Association transacted business in the amount of \$5,801 with the repairs and maintenance company.

PERMANENT TRANSFER

The Board of Directors approved a transfer of \$17,005 as an additional contribution to the replacement fund.

COMMITMENTS

The Association entered into an agreement with Mann Properties to manage the operations of the condominium. The agreement calls for an annual fee of \$12,654.

The Association entered into an agreement with Beach Brothers, Inc. for staining. The agreement calls for a fee of \$57,000.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

Board of Directors Casa Del Sol Condominium

Report on Supplementary Information

We have audited the financial statements of Casa Del Sol Condominium as of and for the year ended December 31, 2014, and our report thereon dated March 20, 2015, which expressed an unmodified opinion on those financial statements, appears on page one and two. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The schedule of operating fund revenues and expenses - budget and actual, which is the responsibility of the Association's management, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information, except for the portion marked as "unaudited", was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. That information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, that information is fairly stated in all material respects in relation to the financial statements as a whole. The information marked "unaudited" has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Disclaimer of Opinion on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the supplementary information on future major repairs and replacements on pages 14-17 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

SUPPLEMENTARY INFORMATION ON FUTURE MAJOR REPAIRS AND REPLACEMENTS

DECEMBER 31, 2014 (Unaudited)

Miller Dodson Associates conducted a study in 2014 to estimate the remaining useful life and the replacement costs of the components of common property. The estimates were based on current replacement costs.

The following table is based on the study and presents significant information about the components of common property. The remaining useful lives have been adjusted based on the number of years since the study was completed.

		Estimated	Estimated		
	Estimated	Remaining	(Current	
	Useful	Useful	Replacement		
Components	Life (Years)	Life (Years)		Costs
